

**The Natural Resource Management Board (NT) Inc
Invites Expressions of Interest from consultants for the following
project:**

***“A pilot project to improve coordination, targeting and
monitoring of invasives investments across the NT”***

The projects aims and objectives include:

1. NRMB have access to information on NRM outcomes of previous and current invasives investments (RIS and non-RIS) in the Northern Territory and neighbouring jurisdictions in a format that informs ongoing strategic investment decisions.
2. Partnerships in invasives management are brokered amongst Northern Territory stakeholders and neighbouring regions.
3. A simple and relevant framework for monitoring and evaluation of invasives projects is developed which improves consistency of project reporting to NRMB.
4. Opportunities for longer term investment in the Invasives Investment Coordinator position are scoped.

The consultant's brief and Expression of Interest form can be obtained by emailing:
contracts@nrmbnt.org.au.

Enquiries concerning this project can be directed to Karen May, Regional NRM Facilitator with the Natural Resource Management Board (NT) Inc on (08) 8951 9264 or mobile 0427 611 972.

Expressions of Interest due by close of business on Friday 9 May 2008
